PROFESSIONAL SUMMARY

Program and project management leader with over 15 years of experience delivering business and technology transformation initiatives across banking, financial services, and shared services environments. Experienced in portfolio governance, vendor management, budgeting, change control, risk management, and executive stakeholder engagement. Proven track record managing multi-million peso programs while driving delivery excellence and regulatory compliance.

CORE COMPETENCIES

Portfolio Management • PMO Governance • Project Delivery • Budget Management • RAID Management • Change Control • Vendor Management • Stakeholder Management • Resource Planning • Financial Management • Risk Mitigation • Executive Reporting

PROFESSIONAL EXPERIENCE

Program Management Office Manager

Metro Financial Holdings | Jan 2021 – Present

- Lead enterprise PMO supporting a portfolio of 35+ concurrent business and technology initiatives valued at more than ₱1.2 billion annually.
- Established standardized governance processes, project health metrics, and executive reporting frameworks across multiple business units.
- Chair monthly portfolio review meetings involving senior executives, technology leaders, and business sponsors.
- Improved project reporting compliance from 62% to 96% through implementation of governance scorecards.
- Oversaw annual portfolio planning, resource allocation, and prioritization activities supporting strategic business objectives.
- Managed relationships with external vendors, consulting partners, and implementation providers across multiple transformation programs.
- Introduced centralized RAID management processes resulting in earlier escalation and resolution of delivery risks.
- Led PMO maturity assessment initiatives and implemented continuous improvement recommendations across the organization.

Senior Project Manager

Global Banking Services Asia | Jul 2016 – Dec 2020

- Managed end-to-end delivery of digital banking, lending, and customer onboarding projects with combined budgets exceeding ₱450 million.
- Coordinated cross-functional teams comprising business analysts, developers, testers, architects, and operations personnel.
- Developed and maintained detailed project plans, financial forecasts, resource plans, and executive dashboards.
- Successfully delivered core banking modernization initiatives supporting more than 2 million customer accounts.
- Managed project financials including CapEx, OpEx, vendor contracts, and procurement activities.
- Facilitated steering committee meetings and executive status reviews for strategic initiatives.

Project Manager

Prime Solutions Consulting | Mar 2011 – Jun 2016

- Delivered technology and process transformation projects for clients in banking, insurance, and telecommunications sectors.
- Managed project budgets ranging from ■5 million to ■80 million.
- Led project planning, risk management, issue management, and stakeholder communications.
- Coordinated implementation activities across local and offshore delivery teams.
- Maintained project governance artifacts including risk registers, issue logs, and change requests.

Project Coordinator

Business Systems Corporation | Jun 2008 – Feb 2011

- Supported project managers in scheduling, reporting, budgeting, and documentation activities.
- Prepared status reports, meeting materials, and project governance documentation.
- Assisted in vendor coordination and procurement administration activities.

SELECTED ACHIEVEMENTS

- Established enterprise PMO governance framework adopted across six business divisions.
- Delivered more than 60 successful projects throughout career with average schedule variance below 5%.
- Reduced project escalation rates by 30% through proactive RAID management practices.
- Implemented executive portfolio dashboards providing visibility into strategic investments valued at over ■1 billion.

EDUCATION
